National Terrorism Advisory System Current Alerts

NORTHERN CALIFORNIA FIRES

Happy Camp Complex, Vegetation Fire, Siskiyou County

Happy Camp District, Klamath National Forest FRA

Per Cal Fire, Cal OES Duty Officers, and ICS-209 as of 10/18/14 at 1801 hours:

- 134,056 acres, 98% contained
- Type 3 IC
- Expected Containment: 10/31/14
- Damaged Structures: 2 Other Minor Structures
- Destroyed Structures: 2 Single Residences, 4 Other Minor Structures

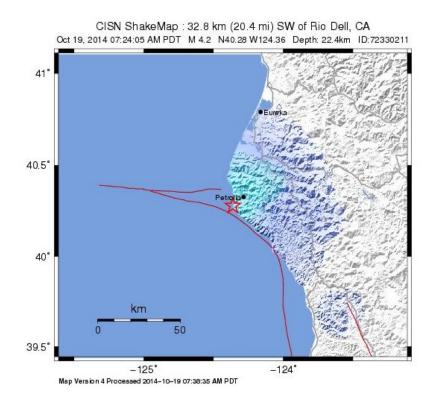

Cal EOC Incident - 2014 Drought

• SOC / Inland REOC remains activated in support of 2014 Drought

4.2 Magnitude Earthquake, 35 Miles SW of Eureka, Humboldt County (New/Final)

On October 19, 2014 at 0724 hours, a verified Mag 4.2 EQ occurred 35 miles SW of Eureka in Humboldt County. The NWS National Tsunami Warning Center issued a Tsunami Information Statement advising there was no tsunami danger. The CSWC conducted an informational briefing and there were no reports of damage or injuries from Humboldt County.

HURRICANE ANA (Category 1)

Rainbands of hurricane Ana approaching Kauai.

Location: 100 miles south of Lihue, Hawaii

125 miles west-southwest of Honolulu, Hawaii

Movement: West-northwest at 5 mph

Discussion: Ana is moving toward the west-northwest near 5 mph, 7 km/h. This motion is expected to continue through the next 48 hours, with some increase in forward speed on Monday. On the forecast track, the center of Ana will pass about 85 miles southwest of Kauai this morning, 65 miles southwest of Niihau this morning, 120 miles south of Nihoa tonight, 90 miles southwest of necker island Monday night, and near French Frigate Shoals early Tuesday.

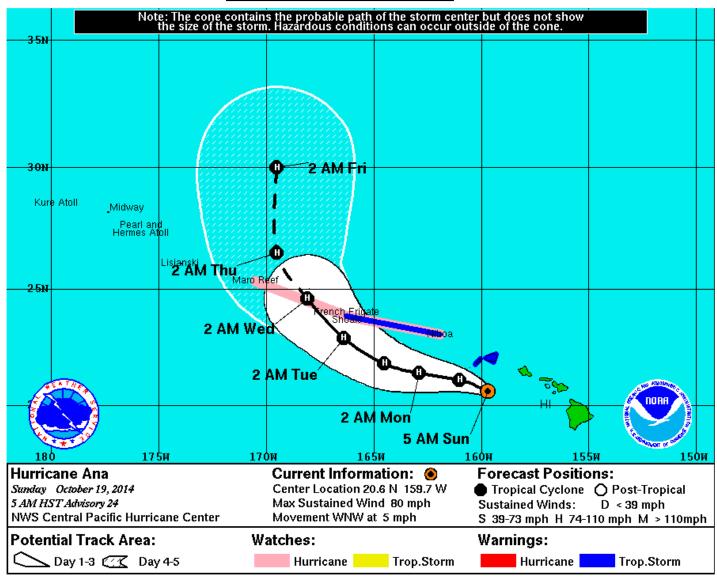

Hazards Affecting Land

- Wind: Tropical storm conditions are expected over Kauai county today, and over Nihoa tonight. Tropical storm conditions are expected over Necker island, French Frigate Shoals, and tern island Monday night. Hurricane conditions are possible over French Frigate Shoals and tern island Monday night.
- **Surf:** Large swells produced by Ana will continue to impact most of the main Hawaiian islands today, and will reach the northwest Hawaiian islands later today and tonight. Surf produced by these swells could potentially be damaging along exposed southern and southeastern shorelines.
- Rainfall: Ana is expected to bring total rainfall amounts of 3 to 6 inches, with local amounts up to 8 inches, over Kauai and Niihau. Rainfall associated with Ana will move over the smaller islands from Niihau to Maui today. Rainfall will gradually diminish later in the day over Oahu and Maui. Rainfall amounts of 4 to 8 inches, with local amounts of 12 inches, are possible over the northwest Hawaiian islands along and near the track of the center of Ana.

Watches & Warnings

- · Hurricane watch is in effect for:
 - Portions of the Papahanaumokuakea marine national monument from Nihoa to Maro Reef.
- · A Tropical Storm Warning is in effect for:
 - Portions of the Papahanaumokuakea Marine National Monument, from Nihoa to French Frigate Shoals.
 - Kauai County including the islands of Kauai and Niihau.
- Tropical Storm Watch is discontinued for Oahu

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

An upper ridge moving over Northwestern California will bring generally fair conditions through Sunday afternoon. Although some low level moisture along a dissipating frontal boundary may bring some light rain to the coast overnight. A stronger front will arrive early Monday with widespread rain and gusty mountain winds.

San Francisco Weather:

High pressure will maintain dry and mild weather through today. A cold front will spread rain across most of the San Francisco Bay Area from late Sunday night through early Monday afternoon and perhaps as far south as Monterey Bay by later Monday afternoon. Dry weather will return by Tuesday. Warming is then forecast for the second half of the week as high pressure strengthens over Central and Southern California.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

High pressure will provide dry weather and seasonable temperatures today. A frontal system will provide cooler temperatures and precipitation chances Monday and Monday night.

Hanford Weather:

Dry conditions and slightly above normal temperatures will continue for the remainder of the weekend. A weather system will bring a slight chance of light rain towards Yosemite area Monday night as well as breezy winds and cooler temperatures Monday and Tuesday. High pressure will return for the remainder of the week with temperatures warming to above normal again.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

Near or slightly below normal temperatures will continue through early next week. A trough of low pressure will pass through Monday night bringing gusty northwest and north winds both Monday night and Tuesday night. A warming trend will begin on Wednesday as weak offshore flow develops with above normal temperatures expected for the end of next week.

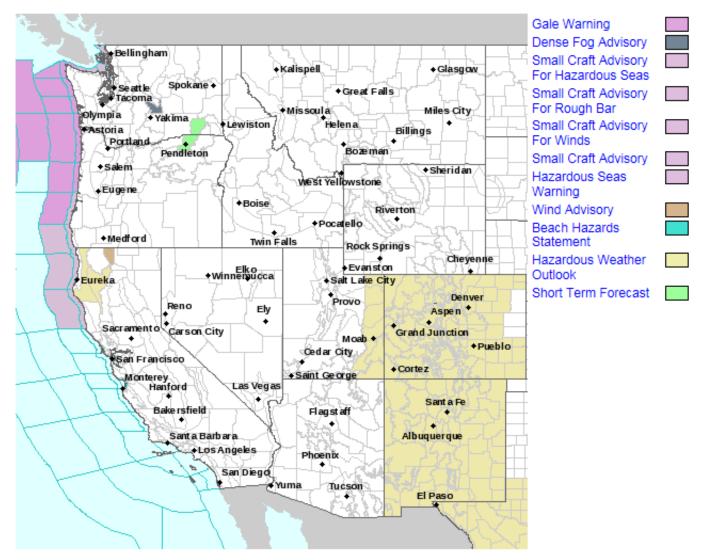

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

Cooler weather with a deep marine layer will continue through Tuesday. High pressure building aloft and weak offshore flow will create warm and very dry weather for mid to late this week with a very shallow marine layer. Slightly less warm high temperatures next weekend as onshore flow returns and the marine layer begins to deepen.

Southeast California Weather:

The next storm system will start moving into California Monday afternoon. This system looks dry, but will produce some southwesterly breezes. High pressure will build during the middle to latter part of upcoming week.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. The filing deadline to return applications for property damage is 12/01/14. The deadline to return economic injury applications is 07/01/15. In addition, a Disaster Loan Outreach Center opened Wednesday, 10/01/14, at 1200 hours, located at the College of the Siskiyou's Life Science Building 3, Room LS-1, 800 College Avenue, Weed, California 96094, Mondays Fridays, 0900 1800 hours (Closed 10/13/14 for Columbus Day).
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.
- Non-food items have transitioned from the Salvation Army to a collaboration of four non-profit agencies that will be involved in the distribution of items such as baby clothes, diapers, clothing, etc.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery Group (LTRG) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the Family & Community Resource Center of Weed located at 260 Main Street, Weed. Funding organizations will assist with unmet needs through the case management process. The VAL will continue to provide guidance to the LTRG group.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf. Additional information on recovery efforts can be found at https://weed.recovers.org/.
- Food donations are being accepted at 310 Boles Street.
- Due to the high levels of asbestos found in the destroyed library, the Siskiyou County Health Officer, US/EPA, and CalRecycle recommend the temporary relocation of families living in the undamaged homes directly adjacent to the library. However, the City is temporarily sheltering (less than 30 days) one family displaced by the debris removal activities at the library location.
- The Applicants Briefings for the Boles Fire FMAG and the CDAA 2014-4 Siskiyou County Wildfires are scheduled to be conducted on 10/22/14, beginning at 0900 hours at the College of the Siskiyous, 800 College Avenue, Building 3 Room 3 in Weed.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Air monitoring activities continue in the work area and surrounding community.

7545.43 total tons of debris have been removed as of day 14 of operations (86.41 tons of metal delivered for recycling; 2670.30 tons of concrete delivered for recycling; and 4788.72 tons of debris, ash and soil delivered for disposal)

The Numbers as of Day 14

- 131 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 11 Sites denied entry.
- 108 Sites documented.
- 129 Asbestos surveys completed.
- 56 Sites with asbestos containing material.
- 40 Sites cleared of asbestos containing material.
- 43 Debris removal completed.
- 0 Sites sampled.
- 0 Sample results approved.
- 0 Erosion control completed.
- 0 Approved by City of Weed as ready for a building permit.

Cal OES Deployments

• Two (2) Cal OES Recovery staff are assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

Recovery Activities

- Based on a request for additional IA information for the major disaster declaration request, IA teams conducted PDAs 09/08/14 through 09/12/14 in Napa County, the City of Vallejo, and Solano County IA PDA teams conducted additional PDAs 09/17/14 through 09/19/14 finalizing PDAs in Napa County. The Presidential Declaration request letter along with supplement information was forwarded to FEMA for consideration.
- The deadline for potential applicants to submit the Request for Public Assistance to be considered for reimbursement for this event is 10/24/14. Fifty-four (54) RPAs have been received to date. Twenty-two (22) kick off meetings have been completed and four (4) kick-off meetings have been scheduled for this week and next week.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. Due to the absence of local faith
 based and other organizations that may have resources, Solano VOAD will reach out to expand the engagement of additional
 nonprofit and faith based partners. Once the organizations are identified, a follow up meeting will be held in hopes of identifying
 key leaders interested in forming a LTR committee.
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice.
- A joint area field office located at the McKinley Building, 180 California Drive, Veterans Home of California, Yountville, 94599 opened 10/03/2014.

CAL OES 2014 DROUGHT

Cal EOC Incident - 2014 Drought

- The SOC is activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Inland REOC is activated at Level 2 Monday through Friday, from 0800-1700 hours, or as needed.
- The Southern REOC is activated at Level 1 Monday through Friday, from 0800-1700 hours.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- CDAA 2014 Drought Fact Sheet and Frequently Asked Questions provided to Regions for reference and distribution.
- Recovery will be participating at the Sothern Region MARAC meeting in Temecula on 10/23/14, to discuss Governor's EO on the drought.

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
